Great Libraries need Great Friends! Join us today!

What are the friends?

The Friends of the Martin County Library are a group of volunteers that help the library through fundraising, volunteering and supporting the programs at the library.

How do I join?

Turn in a registration form (attached to this pamphlet) and pay your dues. That's all there is to it!

What do the Friends do?

The Friends can help in a variety of ways—staffing the booksale, volunteering to help with library events, bringing desserts for events, helping with mailings and more!

Friends DO make an impact!

Some examples of what our Friends group has done and continues to do for libraries in Martin County:

BOOKSALES: The Friends host semi-annual book sales at the library, using library materials and donations. The funds from these sales help sponsor activities and purchase more items for the library.

PROGRAMS: The Friends have hosted author events, chocolate tastings, a vendor's fair and more events at the library!

TREATS: The Friends help provide goodies and refreshments for a variety of programs and events that happen at the library.

FURNITURE/MATERIALS: The Friends have donated money to help purchase furniture, books and audio CDs for libraries in Martin County.

SPONSORS: The Friends sponsor numerous programs for all ages at the library. They also help Sponsor publicity and advertising for these programs.

VOLUNTEERS: The Friends help volunteer their time for the special programs they host, as well as helping with various other tasks at the library.

****Most of all, the Friends increase awareness for the libraries in Martin County—join today and help us do more of the same !!****
